

The floor plan illustrates a comprehensive medical facility layout. Key areas include:

- Operating Rooms (Sala operacyjna):** Multiple rooms (e.g., M1.02.001 to M1.02.015) equipped with surgical tables, monitors, and specialized lighting.
- Patient Rooms (Sala pacjenta):** Individual rooms (e.g., M1.02.016 to M1.02.020) for patient care, including beds, wardrobes, and personal storage.
- Corridors (Korridor):** A network of corridors (e.g., M1.02.021 to M1.02.025) connecting different sections of the building.
- Service Areas:** Rooms for administrative and support functions, including reception (M1.02.026), storage (M1.02.027), and maintenance (M1.02.028).
- Specialized Rooms:** Rooms for specific medical procedures, such as X-ray (M1.02.029), ultrasound (M1.02.030), and laboratory (M1.02.031).

The plan also features a detailed legend in the top left corner, a scale bar, and a north arrow. The layout is complex, with many small rooms and a large central corridor system.
