

2x nawiew do archiwum: nawiewnik higrosterowalny ścienny z regulacją przepływu powietrza
nawiew gravitacyjny zabezpieczony filtrem powietrza, kratka z regulacją dopływu dostępną z pomieszczenia
KANAŁY OBUDOWANE EI 120

KANAŁY OBUDOWANE EI 120

Diagram illustrating a fire-resistant column (słup obudowany do REI120 płytą ogniochronną) and a technological channel (kanal technologiczny pod posadzką) in a building facade. The drawing shows a cross-section of the wall and floor assembly. The column is labeled 10 and the channel is labeled 11. A checkmark symbol is present near the channel. The drawing is oriented horizontally, with the wall on the left and the floor on the right.

Legenda :
INSTALACIA KANALIZACII SANITARNE. I

Architectural floor plan of a two-story office building. The plan shows two main floors, each with a central corridor and several rooms. The top floor (labeled '7' in a circle) has a large room on the left, a smaller room on the right, and a central corridor. The bottom floor (labeled '8' in a circle) has a large room on the left, a smaller room on the right, and a central corridor. The plan includes dimensions, room numbers, and a scale bar.
