

The drawing consists of two main parts: a plan view (top) and a cross-section (bottom). The plan view shows a road layout with various markings, including a 'Wpust wleczny do regulacji wyspokościowej' (wheelpath for height regulation) and a 'Ściek gzebleniowy' (gully). The cross-section shows a road with a 'bariera energetochłonna' (energy-absorbing barrier), a 'rów odwadniająca' (drainage ditch), and a 'ściek liniowy gzebleniowy' (linear gully). The drawing includes a scale bar and a north arrow.
