

A technical drawing of a staircase, showing the profile of the steps and the structure of the stringer and treads. The drawing is a side elevation, with the vertical axis representing the height and the horizontal axis representing the depth. The steps are shown as a series of horizontal lines, with the stringer (the side support) shown as a diagonal line. The treads (the horizontal surface of the steps) are shown as horizontal lines. The drawing is a technical drawing, with lines representing the structure of the staircase.
