

This is a black and white architectural floor plan of a room. The room has a large, open rectangular area on the right side. On the left wall, there is a fireplace. Three chairs are arranged in a row against the left wall, below the fireplace. A dashed line indicates a partition or a change in the wall structure. The room is bounded by a solid line on the right and bottom, and a dashed line on the left. There are some faint, illegible markings in the bottom right corner, possibly indicating a scale or a reference number.
