

Diagram illustrating the single-line wiring of a 3-phase 400V distribution board (SZAFKA 2) with 9 outgoing circuits. The main busbar is labeled L1, L2, L3. The PEN busbar is labeled PEN. The outgoing circuits are labeled Q2 through Q9, each with a 3P, 400A rating. The diagram shows the connection of the main busbar to the outgoing circuits via circuit breakers and fuses.
